Government Schemes & Ground Reality in Solapur

CENTRAL GOVERNMENT SCHEMES

1.1 NAMASTE Scheme (2023)

The NAMASTE Scheme (National Action for Mechanised Sanitation Ecosystem) focuses on eliminating manual scavenging by promoting mechanized cleaning, providing PPE kits, health insurance, and skill training to sanitation workers.

Solapur Reality:

No confirmed implementation data in Solapur Municipal Corporation No evidence of:

- Worker profiling
- Structured training programs
- Full mechanization under this scheme

Conclusion: No visible impact in Solapur

1.2 Swachh Bharat Mission (Urban)

Swachh Bharat Mission aims to improve sanitation infrastructure, waste management, and cleanliness across urban and rural India, including safety measures for sanitation workers.

Solapur Reality:

Implemented in Solapur Municipal Corporation

Activities include:

- Door-to-door waste collection
- Drainage cleaning
- Public sanitation services

Conclusion: Implemented, but mainly infrastructure-focused (limited worker welfare focus)

1.3 SRMS (Self Employment Scheme for Rehabilitation of Manual Scavengers)

This scheme provides financial assistance, skill training, and alternative employment opportunities to rehabilitate manual scavengers. It is now merged under NAMASTE.

Solapur Reality:

No available data showing implementation in Solapur

No identified beneficiaries or rehabilitation records

Conclusion: No visible impact

1.4 NSKFDC (National Safai Karamcharis Finance & Development Corporation)

NSKFDC provides loans, education support, and skill development programs to sanitation workers for economic upliftment.

Solapur Reality:

No evidence of loan distribution or scheme usage in Solapur

Low awareness among sanitation workers

Conclusion: No visible ground-level impact

MAHARASHTRA STATE SCHEMES

2.1 Sant Gadgebaba Gram Swachhta Abhiyan

This scheme promotes rural cleanliness, sanitation awareness, and community participation in maintaining hygiene.

Solapur Reality:

No specific data linking this scheme to sanitation worker welfare in Solapur city

Mostly rural-focused, not directly impacting urban workers

Conclusion: No direct impact on Solapur sanitation workers

2.2 Swachh Bharat Mission – Maharashtra

This is the state-level implementation of SBM focusing on sanitation infrastructure, waste management, and cleanliness initiatives.

Solapur Reality:

Actively implemented by Solapur Municipal Corporation

Includes:

- Waste collection systems
- Drainage maintenance
- Sanitation workforce deployment

Conclusion: Implemented (basic services, not strong worker welfare focus)

2.3 “Manhole to Machine Hole” Initiative

This initiative aims to eliminate manual scavenging by introducing robotic and mechanized sewer cleaning systems across Maharashtra.

Solapur Reality:

Partially implemented in Solapur Municipal Corporation Available:

- Jetting machines
- Vacuum suction machines

Not confirmed:

- Robotic cleaning systems
- Full mechanization

Conclusion: Partial implementation (basic machines present, advanced systems missing)

FINAL OBSERVATION

In Solapur Municipal Corporation:

- | | |
|--------------------------|---------------------------|
| • Infrastructure schemes | Implemented |
| • Worker welfare schemes | Mostly not visible |
| • Mechanization | Partial |
